I love to give head and get analized. Even though it's really for them, I like to pretend that I'm doing it for me and that really gets them off. But either way, I don't think they really care as long as they get off on it. While I like girls and havng sex with them, my body wants a cock and the strong man-muscles that I can lose my sex in.

I was across town at my best friend, Dawson's wedding rehearsal when I met her. She was a bridesmaid and I was standing on the groom's side. As the rehearsal started I could feel

the same thing, because our eyes have met more than once. But thankfully, my fears are unfounded, and next day the wedding goes off without a hitch. I can't get over how sexy

wishes and good cheer were bestowed upon the lucky couple, but tonight I think I'm going to be the luckiest one. At the reception, music played; people ate and danced, and I

the buzz between us as I turned and stared into her amazing blue eyes. The ceremony continued; each of us following directions and doing our part for the future bliss of the couple.

As the evening progresses, we don't say a word to each other during dinner and it scares the hell out of me. I wonder if she's feeling

she looks in the powder blue bridesmaid dress that matches her eyes and her blonde hair pinned up and looking so proper. Some of the other guys are starting to tease me over the hard on I had for her yesterday.

The wedding ended as the beautiful spectacle that it was. Tons of good

took her by the hand and danced our way out the door. Just looking for a quiet, private corner to get some air, I grabbed a flute of champagne for each of us on my way out the door.

In the parking lot I see the wedding party's limo with the driver nowhere in sight. I wandered over to it and found that it's not

Dear Editor,

My letter is about a wedding rehearsal and ceremony I was involved with. The wife found out that we "desecrated" the limo, but that was not my, or her, intent. We just want her and Dawson to know that we still wish them the best.

Bo and Emma

Dear Magazine Editor,

I have only written to *Maxim* magazine before this about their 'Hot 100' that I didn't agree with. But now, I agree. Katarina is one hot fuck and don't care that she's not in the so-called 'Hot 100.' If I had my own magazine, and a hot list, I would put her in the top five. While

I'm sure she's not perfect, she's damn close. Her skin, eyes, breasts, and the rest of her are superb. She stands out among the dozen or so you have in that issue. So here is where I get greedy and ask for one more shot of her. Please!

– Raffie, Savannah, GA

locked. I motion her over and hold the door open for her to enter.

I'm still holding the champagne glasses as I climb in behind her. As I hand her one of the glasses, we settle in the back seat and sit next to each other. I take a sip from the flute and begin to kiss her mouth, flooding the golden liquid into her mouth. I slide my hand up her thigh and discover she's wearing a garters and no panties. She leans over and unbuttons my shirt while she lightly runs her nails across my hand. I pull her dress off quickly and while I find the black lacy bustier she's wearing very sexy, it's got to come off too.

I lose my clothes in record time and now we're both naked and the cool leather of the limo seat feels good as our body temperatures rise. I hold her glass next to her skin below her collarbone and tilt it slightly, the bubbly liquid flows down between her breasts, into her navel, and trickles into the small patch of hair below.

I kneel before her and trace its path down with my tongue. I part her smooth legs and run my tongue across her pussy, flicking it gently at her clit. She moans with pleasure as I swirl my tongue

again and again over her mound and savor her taste.

As she lays back across the seat, I rise up and mount her with delight as my hard cock enters her pussy and her nails dig into my back. We move together in sexual unison, whispering to each other, "faster, faster, harder, harder" as a hint of the expensive champagne lingers in the air. It doesn't take long for her to reach the edge of orgasm. Then she shudders with the intense pleasure of her orgasm as I empty my juices into her with a low groan.

Five minutes later we're dressed as well as can be expected and our hair is messed up, but we walk back into the reception hand in hand. A few people noticed that we were a little messy, but their attentions quickly went back to the wedding party. There was magic in the air that night and I took it back home with me.

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

My most important discovery... We're all brought up being told our anus is for, well, you know, exit. A few years ago I discovered that some things that are put into it can actually be an awful lot of fun. While I haven't had a lot of fun back there, I have had a lot of fun when it was in there.

I like to come across as the sweet and innocent girl next door, but I'm really just the sexy bitch that loves to get down and dirty and I do it with delight.

Good help isn't always good

**When we hired Yazmin,
we expected her to take care of our ailing aunt,
not the handyman**

We first moved to Little Rock from Baton Rouge about six years ago when my wife's mom died. She was living with her mom at the end and taking care of her older sister, Helen, too. Well, mom passed away and in her last months asked if Mariah and I would come to Little Rock and help find a caretaker for Helen. We advertised in the local and regional papers and eventually both agreed upon a nice 40-something lady from Sherwood, right up north off Route 107.

Her name is Yazmin and she's been a private nurse for more than 15 years. Oh, one more thing, she was really hot, especially when she wore her off-blue quasi-nurse's outfit. She had long, brown luxurious hair and a most attractive face and nice figure. She wore her hair up on a bun most of the time and her uniform was always pressed and creased. On top of all that she smelled great. At least for the first few days until my aunt found the perfume smell to be too much for her. Over time, I saw how attentive and caring she was and realized what a great choice we had made. She would even stay late without asking to finish her work or telling her office she had done so..

And what's weird is she somehow sensed it and begun watching my reaction. However, I soon learned that she may not be as genuine as she purported to be. I began to ask myself if she was a habitual teaser and control freak, and somehow got off on the power of her situation in the house. She never admitted anything so I was left with mixed feeling of distrust, loyalty, lust and a bit of anger at both her and me. My wife was quite unaware of any of this, for which I am still thankful.

Six months months later- and the dishwasher dies. I looked at fixing it but it was beyond me. As my wife and I were thumbing through the yellow

After a few months, I began feeling a huge attraction to Yazmin. We would flirt a little here and there; over coffee, at the kitchen table, helping her change my aunt's bedsheets, even though I didn't have to. But one Monday she suddenly stopped her flirtations. There was a coolness that I couldn't describe. She was different, for no reason I ever discovered; but she'd still be flirtatious with other guys that came around, like the mailman, the air conditioning guy, even the damn pesticide dude got gleeful looks and sexy banter.

pages, Yazmin walks into the kitchen and asks what happened. We told her it was the dishwasher, and she said to put the yellow pages away. She would call Hector, a man who had sold and repaired appliances at several of the households she and her company had worked with. We agreed and the next day he showed up at noon with his truck and a brand new dishwasher in the back. I escorted him to the back door and we looked at the old one. He tinkered with it and agreed it was done. Yazmin walks in and they greet

each other like old friends and she says she can help him with the installation if me and Mariah want to take in a movie – or something. We looked at each other and said “Why not?”

We grabbed our stuff in the living room and I poked my head back into the kitchen to tell them we were off and I saw Hector was already unhooking the old machine’s plumbing and Yazmin was leaning with her elbows on the counter giving Hector a good eyeful of her firm cleavage. He pretended to be all business but I sensed something more was going on. However, it was time for me and Mariah to leave for the movies and we just reiterated with Yazmin to be sure the house was locked up when she left. She said she would and immediately returned to “helping” Hector by pulling on a rubber hose.

Mariah and I were a little early for the movie and went to the food court in the mall for a coffee and chai latte. I expressed that I had a weird feeling about what was going on at the house but she laughed and said it was all innocent and he was just going to install a new dishwasher. Just then her new best friend in Little Rock, Molly, happened by with armfuls of shopping bags and they started talking about sales and bargains and I saw that as a chance to ask if we could pass on the movie and she could spend some time with her friend. They both agreed and I excused myself saying I was going into the mall to look at sports stuff and see them in a couple hours. “No problem,” they said. I ran to the car in the parking garage and headed straight to my aunt’s house, parking across the street and a couple houses down.

When I walked up to the side of the house I could see the kitchen through the shutter slats and the two of them in there. Fortunately I was mostly hidden from the street by hedges that ran

all the way around the house. I also heard their voices, and as I focused on the two of them, I saw the old dishwasher in the middle of the kitchen and the new one roughed in its place. Hector was standing up, leaning back against the counter with Yazmin on her knees in front of him with her blue blouse off and just in her bra. I couldn’t believe what I was seeing just fifteen feet from me. They were both in profile to me so I got a good look at the two of them. She was blowing him. I watched closely as her head moved back and forth taking his long hard cock into her mouth. Obviously, this had been going on well before I got there.

Her dark hair was pulled back so there was nothing hiding my view of the proceedings. I could see she was quite adept at it, and Hector seemed to be enjoying it as well. He was leaning back with his head thrown back as she undid his belt and pulled his pants and underwear off and threw them on the old dishwasher. She then refocused on Hector’s big cock taking as much as she could into her mouth. His cock was large and was hitting the back of her throat. He slipped his hands down under her bra fondling her breasts, pulling the nipples and squeezing each boob hard. She reached behind her, cock still in her mouth and undid her bra. Then she took his cock out of her mouth and started hitting her large breasts with it and rubbing it on her hard nipples. She was about to start sucking again when he started to lift her by the arm to stand up. As she did, he pulled her pants and panties down and off leaving her nude except for her espadrilles.

He turned her around so her back was to the counter and pushed her back down to suck him. She leaned back on the cabinets as he took a step in and leaned over the counter bracing himself with his arms outstretched. She

I watch as she licks each one, then takes one and then other into her mouth while she strokes his cock up and down. Hector pulls his knees up and grabs hold of them offering his pucker to her tongue.

took his cock back into her mouth and continued to suck him. I saw one hand slip behind Hector's buttcheek and pull him into her, controlling the rhythm of her sucking. Then the other slips out and she grabs and pinches both his cheeks, pulling him into her and holding his cock there while she worked it with her tongue. Still holding his ass, she spins him around and makes him, sit up on the counter where she continues sucking his cock. Taking his legs, she throws them over her shoulders so his hips rise and she goes to work on his balls. I watch as she licks each one, then takes one and then other into her mouth while she strokes his cock up and down. Hector pulls his knees up and grabs hold of them offering his pucker to her tongue.

Yazmin backs away and finds a washcloth at the kitchen sink, right in front of me. I duck down and wait until I hear the faucet turn off before rising and looking once again. When I do, I see her wiping the area between his balls and buttohole with the cloth. Obviously, she carries some of her professional habits into her lovemaking. She tosses the cloth on the counter and lowers her head between his legs and begins to lick his butt, I assume because my view is obstructed by his legs. I try to reposition myself and bump the exterior wall. They stop momentarily and look around, but I've ducked back down. Counting to five, I peek again and they are back at it, but now she is on the counter and he's licking her pussy. With her legs stretched over his back, his arms extended up and his hands kneading her beautiful breasts, she buckles and squirms as his tongue goes to town on her. Moments later he straightens up and pulls her over.

Yazmin's bare legs are now clamped around Hector's waist, and her hands come round his back, stroking and clawing at his flesh. I back away from

the window a bit in utter shock, into the bushes and away from the kitchen window. My cock is as hard as a rock and I take a moment to jerk off while desperately hating Hector and Yazmin both. But I couldn't help myself from being unbearably aroused by the fact that beautiful, sexy little tart had degraded herself by letting the appliance guy into her mouth and between her legs. And right there in my poor old disabled aunt's house as she was probably sleeping in the other room. It was only four o'clock and she wasn't finished until six. I went back to my position by the window when I heard them moaning and laughing again.

I saw Yazmin dancing around the kitchen naked; and I felt a rush of intense desire, seeing her gorgeous body; her round, ripe little boobs with perfect nipples, and her dark triangle of hair hiding her sex. I wondered what was going on? She was laughing and cooing as she danced around and Hector stroked himself into this huge 8 inch erection. She danced over to him sitting on the counter and began to stroke his cock vigorously with one hand and then both. Amazingly, with both her hands on it, the head still poked above her two fisted hands. She wiggled her mouth down onto his dick and giggled as his big knobby head disappeared inside her puckered lips. I grabbed my crotch again in jealous excitement as Hector sat there grinning and shoving his big cock in and out of her mouth. She egged him on to climax and he shot a load deep into her mouth. She stopped moving to suck it all in as Hector fell back onto the counter. He lay there for a few minutes as she played with his limp cock. Suddenly there was a bell tinkling. Yazmin jumped up and hastily got dressed and ran into the other room to look after Aunt Helen. Hector slowly got dressed and went back to installing the new dishwasher.

I like to think of myself as the freckled red head next door turned pornstar that your parents probably warned you about. I find that I have an insatiable appetite for sex, but I don't let that get in the way of a fun personality. I try not to take myself too seriously, though, so I'm always the one that's always down to have a good time for the sake of a laugh.

I like to think that I'm a hot cougar who knows exactly what I want. And that's usually a big dick stuffed in one of my holes. I was a late bloomer and didn't start fucking on film until I was thirty. I learned how to open my throat wide and swallow the whole cock down my throat. I still gag once in a while, but I'm usually able to take it all.

MILF alert!

I shaved just for you today

Once I had finished accounting school, I decided it was not for me. I did some model shots and liked the way I looked on camera. Then I got that burning urge to be seen by tons of people... while I was having sex. Then I took a break from the entertainment business to become a housewife but that did not fill my needs, either. So here I am guys. Let's do it!
